

Hello Parents,

The nice weather will quickly come to an end. This means winter is around the corner. CBCA has signed up with ONE CALL NOW, a program for texting and emails to communicate school closings or delays. This can also be used by the school for announcements and reminders of special events. We look forward to this convenience because WBNG TV is no longer supporting there text alerts, they will continue to have the ticker tape across the bottom of the TV. CBCA will continue to announce on WBNG TV, but will also use ONE CALL NOW text alerts.

These alerts will come under the name and number of CBCA. We can have up to six phone numbers and five emails on each students account. Please help and fill out the bottom and return as soon as you can.

Student(s) Name(s)_____

Phone numbers_____

Emails _____

Thank You

MR. Krewson
